RYE SMILES FOR LIFE

10614 Warwick Ave., Fairfax, VA 22030
703-352-2010 | www.ryesmilesforlife.com

Dr. D. Gordon Rye believes that all patients should live life to the fullest and look their best doing it. Dr. Rye has provided Exceptional Dentistry to residents of the D.C. Metro area for over 25 years. He is uniquely qualified and philosophically committed to quality outcome-based dentistry, combining art, science and technology with personalized care.

Many who come to Dr. Rye for a gorgeous smile also find life-changing relief from debilitating pain (see video testimonials on his web site: www.ryesmilesforlife.com). Most suffering from headaches, chronic neck or facial pain, or ringing in the ears do not know that their bite may be the source. Dr. Rye uses state-of-the-art neuromuscular techniques for diagnosis and treatment of such pain. The results are often immediate, dramatic and life-changing. Through Exceptional Dentistry, his patients experience greater total health and natural beauty, which promote better living and increased longevity.

Dr. Rye's advanced training includes a two-year post-doctoral residency at the University of Virginia Hospital. He is a Master of the Academy of General Dentistry (MAGD), a graduate of the prestigious Las Vegas Institute for Advanced Dental Studies (LVI) and an LVI preferred dentist.
